

## *Parent Involvement*

*Parent involvement is essential to your child's education. Be active at your child's school:*

- Attend school events*
- Talk about homework with your child*
- Show how schoolwork relates to daily life*
- Make an appointment to visit the classroom*
- Join parent organizations*
- Attend parent-teacher conferences*
- Request additional meetings as necessary*
- Keep teachers informed about events and issues that may affect your child's school work or behavior.*
